

CPA Summer Camps & Activities

FANTASTIC FRIDAYS

Join us on Fridays this summer for some FUN & FANTASTIC activities from 9 AM-12 PM! Each Friday we will have a new and exciting adventure planned for you & your friends. Each Friday will cost \$25.

Friday, June 3rd: STEAM-filled Fun!

Grade Levels: 1st Grade (completed) – 7th grade (completed)

Description: In our STEAM-filled Fantastic Friday, we will be exploring scientific concepts such as gravity and friction in a hands-on, engineering and design class. We will introduce each concept in a quick lesson, followed by the engineering method to do an in-depth exploration. We will use various materials to protect an egg in an egg drop, build and test bridge designs and test cars. Each activity will be split into three groups so that students can work at their pace and level.

Instructor: Mrs. Jennifer Picard (CPA teacher)

Friday, June 10th: Jonah and the Whale Day

Grade Levels: PreK4 (completed) - 3rd grade (completed)

Description: We will explore the story of Jonah and the Whale from God's word. We will learn all about this awesome story through games, crafts, and snacks! We will also have some time to play outside with friends!

Instructor: Mrs. Amanda Howard (CPA teacher)

Friday, June 17th: Water Play Day

Grade Levels: PreK4 (completed) – 5th Grade (completed)

Description: Join us for a day of water play at CPA! We will splash the day away with fun water-themed games and activities, as well as free water play. There may even be POPSICLES! Make sure to wear a bathing suit (one-piece for girls and trunks/t-shirt for boys) and a beach towel to dry off.

Instructors: Angie Roberts/Melanie Jones (CPA Directors)

Friday, June 24th: ARTastic Friday

Grade Levels: PreK4 (completed) – 2nd Grade (completed)

Description: Join us at CPA for a fun-filled day of ARTS & CRAFTS with Mrs. Ashley! The students will design and decorate visors to take home. They will also enjoy time creating and exploring with various art media and materials.

Instructor: Mrs. Ashley Call (CPA Teacher)

CPA Summer Camps & Activities

CPA SUMMER DAY CAMPS

Our Summer Day Camps will run from Mondays-Thursdays from 9AM – 12PM in June. *The cost is \$100 per camp.*

June 6th-9th: LEGO Day Camp

Grade Levels: Kindergarten (completed) – 5th Grade (completed)

Description: Come join us for LEGO camp! We will have free time to build with friends in the morning, watch a video on how to develop a certain design, have recess, and then have a building contest with presentations at the end of each day! Join Amanda Howard, certified in both special and general education, to have fun with friends this summer!

Instructor: Mrs. Amanda Howard (CPA Teacher)

June 13th-16th: ART & NATURE Day Camp

Grade Levels: 2nd Grade (completed) – 5th Grade (completed)

Description: In this fun art camp, the students will take time to creatively connect with God's natural world while practicing fundamental art skills.

Instructor: Mrs. Ashley Call (CPA Teacher)

June 20th-23rd: MUSIC Day Camp

Grade Levels: PreK4 (completed) – 5th Grade (completed)

Description: Join us for this exciting music camp which will culminate with an end of the week performance! The students will rotate to multiple stations each day (singing, instruments, speaking parts, recreation and snack) while learning music fundamentals and the process of preparing for a musical performance.

Instructor: Mrs. Lara Ashcom (Choir Teacher at Westminster Christian Academy)

June 27th-30th: STORYTELLING Day Camp

Grade Levels: 1st Grade (completed) – 3rd Grade (completed)

Description: Does your child love to tell stories? Do they need an outlet? Join us for four days of brainstorming, creating plays, puppet shows, class presentations, and writing our own book!

Instructor: Mrs. Amanda Howard (CPA Teacher)
